# Frontiers of Information Technology & Electronic Engineering

An international peer-reviewed journal (former title: JZUS-C), aiming at publishing the latest implementation of applications, principles, and algorithms in the broad area of electrical and electronic engineering, including but not limited to computer science & engineering, electronics, communication engineering, control engineering, and optical engineering. Indexed by SCI-E, Ei Compendex, INSPEC, DBLP, IC, Scopus, JST, CSA, etc.
