ENGINEERING Information Technology & Electronic Engineering

A peer-reviewed scientific journal launched by the Chinese Academy of Engineering and Zhejiang University, formerly known as *Frontiers of Information Technology & Electronic Engineering* (2015–2025) and *Journal of Zhejiang University SCIENCE C (Computers & Electronics)* (2010–2014), aimed to present the latest developments and achievements in broad areas of information technology and electronic engineering, including computer science and technology, information and communication engineering, control science and technology, electronic science and technology, optical engineering and technology, instrument science and technology, among others.

Indexed by SCIE, EI Compendex, Scopus, DBLP, CSCD, CNKI, etc.

Copyright 2010–2026
