The original version of this article unfortunately contained two mistakes. In p.406 and p.408, the titles of Figs. 2 and 3 were missing, which are given below:

Fig. 2 Schematic diagram of the pump model (a) and single piston chamber model (b). V_p is the velocity of the piston (Fig. 2a is reprinted from (Ye *et al.*, 2014), Copyright 2014, with permission from ASME).
