The original version of this article (Zhao et al., 2021) unfortunately contained two mistakes.

(1) In p.826, the hematoxylin eosin (HE) staining figure of the fourth panel (the Ang II+LIPUS group) in Fig. 3a was incorrect. The correct version should be as follows:

(2) In the supplementary file, the blot image in Fig. S6a was incorrect. The correct version should be as follows:
