Key factors influencing perovskite film crystallization in blade-coating processes

Cite this as: Jingyi SUN, Borui LEI, Jingjing XUE, 2025. Key factors influencing perovskite film crystallization in blade-coating processes. *Journal of Zhejiang University-SCIENCE A*, 26(9):811-831. https://doi.org/10.1631/jzus.A2500054

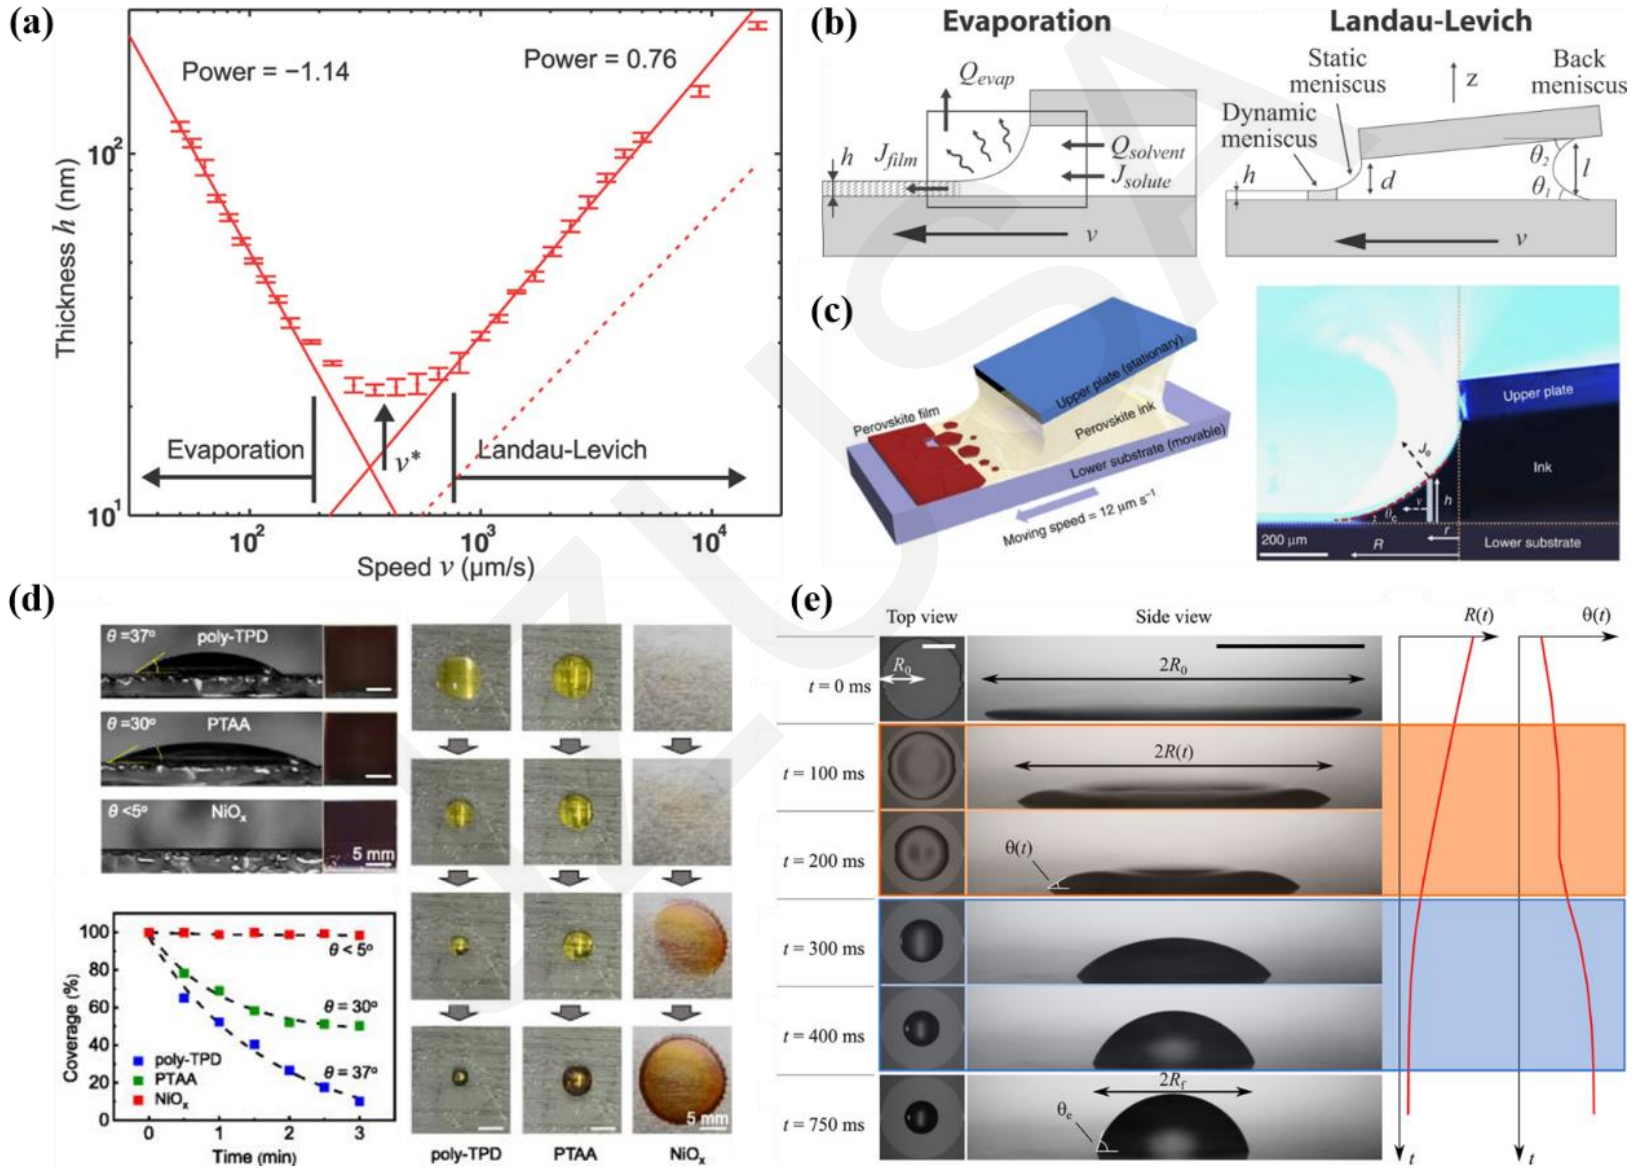

Schematic illustration and key factors of blade-coating process

Influence of solvent in precursor solution on blade-coating

Influence of blade technology on coating process

Influence of surface passivation and atmosphere on coating process
