Erratum to: *J Zhejiang Univ-Sci A (Appl Phys & Eng)* 2014 15(7):540-546

doi:10.1631/jzus.A1400055

The original version of this article unfortunately contained two mistakes. In p. 544, the square root on the right side of Eq. (14) “ $Ha = \sqrt{k_2 D_A / (k_{LA}^0)^2} C_{BL}^{1/2}$ ” and the square root on the right side of Eq. (15) “ $E = Ha = \sqrt{k_2 D_A / (k_{LA}^0)^2} C_{BL}^{1/2}$ ” were incorrect.

The correct versions of Eqs. (14) and (15) are given below:

$$Ha = \sqrt{k_2 D_A / (k_{LA}^0)^2} C_{BL}^{1/2}, \quad (14)$$

$$E = Ha = \sqrt{k_2 D_A / (k_{LA}^0)^2} C_{BL}^{1/2}. \quad (15)$$
